Client Name: ______ Birthdate: ____/ ____/

- 1. Telehealth mental health services are an alternative form of therapy with several limitations. There is a risk of misunderstanding one another resulting from the absence of visual or auditory cues as well as a risk of disruption to the service due to technical difficulties of the devices utilized. - 3. I agree to inform my provider of my address/location at the beginning of each telehealth session. I understand that in the event of an emergency, my provider may need to contact emergency services to further assess for safety.
- 4. There are limitations to confidentiality to be mindful of including that individuals near you may overhear your communications or have access to the platform that you are using. I understand that I am responsible for my surroundings and will make attempts to engage in telehealth sessions privately, in a quiet space and without distractions.
